100X CAL-HOSA CHAPTER OFFICER TRAINING

TO INFINITY AND BEYOND!

That's where you are headed in this year's Cal-HOSA 100X Officer Training program. Your Story is just that - yours! Discover it, create it, own it.

Andy's toy room has seen it all - triumph and failure, fear and courage, conflict and harmony. At every turn, these make-believe characters face real-life challenges that you can learn from as an aspiring 100X Officer.

This year, we take Toy Story and make it Your Story! In Your Story, you will learn from the most unlikely characters. How has Woody earned such loyalty? What can Bo Peep teach you about finding your voice? How does Slinky Dog lead by example? Learn all this and more as you jump out of the real world and into the wonderful world of your favorite childhood toys.

Your Story is an adventure like no other; one that will demand you to show up for your teammates, stand up to your adversaries, and take risks for the sake of others. Remember, Your Story is written by you but not for you. True leaders use their stories to impact the world around them. Reach for the sky, friends!

REGISTER COMPLIMENTARY TODAY
@ CAL-HOSA.ORG

Local Chapter Officers, Advisors and Aspiring Chapter Officers are encouraged to individually register by Friday, October 1 at midnight. Training begins in October with weekly live virtual training sessions along with on-demand leadership resources, materials and challenges all month long! Registrants will receive access instructions for 100XED.TV and the live virtual sessions by October 3. Special thanks to the California Department of Education for making this premier training complimentary for Cal-HOSA advisors, officers and prospective officers!
